PRESS RELEASE

Hoboken Police Arrest Three for Using Stolen Postal Service Key; Investigation into Key Theft Ongoing

The Hoboken Police Department announces the arrest of 31-year-old Jacquez McCall of Paterson, 30-year-old Sean Miller of East Stroudsburg, PA, and 26-year-old Abdoul Toure of New York City, in connection with the unlawful use of a stolen postal service key. The arrests come as part of a coordinated operation with the U.S. Postal Inspection Service.

On Jan. 19, 2025, at approximately 2:30 a.m., Hoboken Police officers responded to reports of someone trying to open a U.S. Postal Service mailbox near the intersection of Seventh Street and Willow Avenue. When officers arrived, they saw Toure leaving the area and getting into a vehicle, which was subsequently pulled over. All three men were inside.

Upon further investigation, officers discovered nine stolen credit cards in a pocket on the front passenger side door, as well as two bags filled with envelopes and documents containing various names and addresses. A stack of checks for various amounts was also found in the glove compartment.

McCall, Miller, and Toure were arrested and transported to Hoboken Police Headquarters where they were charged with burglary, theft of movable property, conspiracy to commit burglary, credit card theft, receiving stolen property, and criminal attempt. While he was being transported, Miller kicked one of the officers and was additionally charged with aggravated assault. It was discovered he had active warrants out of Elmwood Park and Kenilworth. McCall and Toure were released with summonses and court dates, while Miller was ultimately transported to the Hudson County Correction Facility.

During the on-scene investigation, officers recovered a master key that had been stolen from a postal worker in Hoboken on Dec. 19, 2024. That robbery remains under investigation by the Hoboken Police Department, in conjunction with the U.S. Postal Service Inspectors. Anyone with information is asked to contact Det. Samuel Flores at Floress@hobokenpdnj.gov.
